Thanks, Jayne. No problem -- if anything comes up that you need my help on, we can handle it the next day when I'm back in the office.

Hi Kelly,

I am sorry. It turns out Dave Powers does not use EPA's calendar and he could not make the original date. I tried to find another date and time that worked out for everyone but without success. Dave Powers is key to the meeting and when I asked for his input, he wrote "We could also do it on the 17th without Kelly. She has provided good legal support but the decisions that Dan will need to make are primarily policy rather than legal calls."

Hope you are okay with this.

By the way, I am impressed with your speedy responses and your clarity.

Jayne
